

NC State Fair Market Animal Ownership Form

It is the expectation that all junior exhibitors be involved in the care of their livestock project(s) during the ownership time frame specified for each species. Market animals are expected to be housed within the county the exhibitor resides in or an adjoining county, in the state of North Carolina. Exceptions may be granted after a review by the species superintendent and designated review committee.

All market animal exhibitors need to complete the information requested below and bring the completed form with you to a designated tagging station for market animals. **If you are asking for special housing privilege, please submit the completed form at least two weeks prior to tagging of project animals.** Forms may be mailed or sent in by email.
